Teacher References (list 3 teachers you have had who will serve as references for you)

****The remaining questions present an opportunity for you to be *resourceful* and *creative* you are welcome to use additional paper if necessary****

Talk about yourself, including any special interests, activities or groups in which you are involved

Discuss any museums (art, science, history, historic homes, other places of interest) you have visited and have found memorable - explain

Use the following space to name and talk about a work of art of your choice (feel free to look things up on the web – through museum websites or searching by artist name)

What is it that interests you about this program, what do you hope to get out of it?

What part do you see museums playing in your life now and in the future?
